- UI/UX design using Figma
- Digital marketing (social media, email, content marketing)
- Graphic design (Adobe Creative Suite, Canva)
- Content creation (visual and written)
- Data analysis and performance tracking
- Budget management and cost optimization
- Team collaboration and project coordination

WORK EXPERIENCE

KaCyber Technologies Ltd
Kampala, Uganda
Aug 2025 – Present

Senior Product Marketing Officer

I lead both the marketing and product design teams, overseeing product strategy and guiding new product launches. My role involves managing all marketing activities, ensuring brand consistency, and creating clear messaging that resonates with our target audience. I use Figma to design and prototype user interfaces and collaborate with other teams to improve user experience. I also develop marketing content and campaigns that drive adoption of our products and services.

KaCyber Technologies Ltd
Kampala, Uganda
Mar 2022 – Aug 2025

Marketing Officer

I was responsible for planning and executing campaigns that promoted the KaCyber Go Card and the digital ticketing system. I created content for digital and print platforms, managed communication across social media and the company website, and represented KaCyber at major events. I played a key role in the launch of the KaCyber Go Card in 2023

Uzazi Hub
Kampala, Uganda
July 2024 – Present

Marketing Officer & Design Officer

I manage Uzazi Hub's marketing activities and oversee visual branding. I design promotional materials for products and services, create social media content, and develop marketing campaigns that engage our community of mothers. I collaborate with the team to maintain consistent messaging and ensure that our content supports the company's mission.

Musadan
Kampala, Uganda
Oct 2024 – Present

Digital Marketing and Web Development Specialist

I manage Musadan's digital presence across social media, create engaging content, and design graphics that align with our brand identity. I maintain and update the public website, ensuring it is user-friendly and up to date. I also contribute to light code development for web projects, working closely with the Chief Technology Officer.

Primacy ICT Solutions
Kampala, Uganda
Aug 2024 – Aug 2025

Graphic Designer & Content Manager

I designed marketing materials, managed social media content, and ensured consistent brand messaging. I developed visuals for campaigns, handled content scheduling, and worked with the team to increase online engagement.

Likana Safaris Uganda
Kampala, Uganda
Jan 2023 – Mar 2023

Online Marketer

I developed and implemented digital marketing campaigns to promote tour packages and safari experiences. My work included creating engaging social media posts, writing promotional copy, and running targeted online ads to attract both local and international clients. I also monitored campaign performance and provided recommendations to improve reach and conversions.

Sumic Online
Kampala, Uganda
Oct 2022 – Feb 2023

Graphic Designer

I was responsible for designing visual materials, including banners, flyers, product catalogs, and social media graphics, that supported the company's marketing campaigns. I worked with the marketing team to ensure that all designs aligned with the brand's identity and appealed to the target audience.
